Mr. H. Macmillan,
Lake Shore Road,

Winico.

Dear Mr. Macmillan:

Many thanks for the two tickets for the
Musical Association. I hope that Mrs. Falcroer and I may be
able to be present at some of the meetings, and I trust that
the organization under your leadership will have every success
during the winter.

Yours sincerely,

President.

Mr. Ernest Macmillan,
University College.

Dear Mr. Macmillan:

I have had a request passed through for the use of Convocation Hall to-night by the Musical Society. No word has been sent as to what it is to be used for, and as the Bursar has had no request for the use of the organ, I am turning to you, because you will probably know about it. The Bursar is afraid that the use of the organ on the Tuesday night before the Organ Recital will interfere with the recitals. He thinks that Monday would not be so objectionable. Perhaps you would let me know about it.

Yours sincerely,

President.

TO WHOM IT MAY CONCERN:

I have much pleasure in certifying that Mr. Ernest MacMillan is a student of the University of Toronto and has finished his third year, having received first class honours in History through his course. He is therefore a very good student in Arts.

In addition Mr. MacMillan is a musician of no ordinary distinction. He is a Fellow of the Royal College of Organists of London, and a Bachelor of Music of Oxford, both of which distinctions he obtained at an unusually early age. He has played on the university organ at the university services and has given great satisfaction. He has also given recitals and played at university functions and his execution is always admired, and he carries with him the expectations on the part of many in the University that his musical career will be a distinguished one.

President.
